

The nation's largest annual one-day tree planting is back!
Sunday, April 23, 2017

Plant trees and wildflowers in the Rouge.
See reverse for location and map.

Over the past 26 years, 10,000 Trees has reclaimed over 186 acres of fragile watershed lands and planted over 186,000 trees. This year, we will also plant wildflowers!

Please come and join us to continue our special work, and visit the many partner booths that will be set up at the site this year.

For more information and the latest updates, please visit our new website at 10000trees.com and find us on Facebook at [10000treesfortherouge](https://www.facebook.com/10000treesfortherouge)

The planting site is located at the south west corner of McCowan Road and Hwy 7, behind (south of) the strip plazas.

Please note that **there is no parking onsite**. Volunteers may park at a dedicated parking lot at Markville Mall and walk across Hwy 7 to the planting site.

Overflow parking is available at the GO station north of Markville Mall. Shuttle buses will be available there to transport volunteers to and from the planting site.
