

It starts with Scouts.

# CENTRAL ONTARIO CAMPS

## Facility/Site Cancellation Policy

Camping is the prime venue for delivering the program of Scouts Canada.

When a group reserves a facility/site (Registered with Scouts Canada AND like-minded organizations) other Groups are excluded from using that facility/site at that time. Quite often that might be the only camping opportunity for a youth during that season.

In addition, Scouts Canada has a very large financial investment in all of its properties.

With these 2 concepts in mind, the Central Ontario Service Centre's policy is:

**\*\*\*If a group makes a reservation and requires to cancel it with 6 (six) weeks or less of the beginning of the function/event, that group is financially responsible in full\*\*\***

There are some exceptions:

1. If a group withdraws their reservation within that 6 (six) week period but another group reserves the same facility/site, the original group is exempt.
2. The financial responsibility is in effect for the C.O.S.C's current financial year, namely September 1 – August 31.
3. Periodically exceptional circumstances, such as extreme weather and certain tragedies would warrant and exemption. Please contact the office directly by phone – 416-490-6364 x233
4. Haliburton Scout Reserve has a different cancellation policy. Please visit the website for details.

### **Please note:**

All cancellations that are 6 (six) weeks or more prior to your arrival date **MUST be done in writing** and emailed to [cosc.camp@scouts.ca](mailto:cosc.camp@scouts.ca) – PHONE MESSAGES WILL NOT BE ACCEPTED.
